MEDICAL GRADE CORRECTION TREATMENTS

SKIN REJUVENATION/DERMAPEN 45 minutes \$299

Dermapen is a transformative treatment for the deep layers of the skin responsible for shape, form and tightness. On the face it is for surgery scars, acne scars, lines, wrinkles, sagging and on the body it is great for scars and stretchmarks.

This Advanced skin innovation treatment has no downtime. Your skin will be mildly pink for 1-3 days. It can be used on the face including right up under the eyes, the neck, chest, any area of the body.

Results are exceptional after just one treatment. Treatment can be repeated every 6 weeks.

SKIN TIGHTENING & BODY CONTOURING

The procedures are safe, painless with no downtime. Our treatments are suitable for all facial and body. Minimise appearance of lumpy skin, improved skin texture and reduction in circumference of the area. Allows you to target those stubborn areas for improved fat loss and skin tightening.

WRINKLE REDUCTION + TIGHTEN + TONE

For optimum results a course of 4-6 treatments is recommended.

MICRODERMABRASION 30 minutes \$60

This treatment provides effective skin exfoliation, designed to enhance the skins appearance by creating a smoother look and feel to the skin. 60 minutes **\$110**

LED LIGHT THERAPY TREATMENT 30 minutes \$60

LED light effects the skin on a cellular level and can produce a variety of responses that are beneficial to the skins health and wellbeing. *Add on to Facial for \$50* 60 minutes **\$110**

The light treatment targets the following skin types:

RED – promotes collagen production; stimulates faster working healthy cells to create firm, plump, youthful looking skin.

VIOLET – violet light has antibacterial properties that purify and cleanse the skin; it has the ability to attack the acne causing bacteria found underneath the skin that is a cause of acne and blemishes.

GREEN – calms any redness/inflammation by increasing the formation of new capillaries, which in turn speeds up the healing process, by carrying more oxygen and nutrients into the skin.
